Attendance
Well done to Class 10 who had the highest attendance of 98.3% for the week beginning 9th October and Class 7 for achieving 97.5% the following week. Archie Collins and Lacey Balmer won the 100% weekly attendance £10 vouchers.

Odeon Cinema
Over the next two weeks every child from Reception to Year 6 will visit the cinema to see a film. This is a great opportunity for a whole school event which impacts greatly on learning in the classroom. The children will be taken by coach in the morning and return by lunchtime. We have used funds from contributions to school fund to support this trip particularly cost of coaches. Thank you to all parents who make regular contributions each Friday.

Dear Parents,

I have tried to include lots of information in this newsletter particularly about up and coming events as you can see there are lots. This week we started with the unusual news of a UFO landing! Children have worked hard solving this mystery and helping staff. Tuesday brought Halloween with children dressed up in wonderful costumes. Thank you for kind generosity with goods for our Christmas Bingo. The PTA are delighted! JM Maloney

Role Models for Children

As a school we want to ensure that parents and carers act as good role models for their children. Recently, it has been reported that some infant parents are openly using foul language on the playground in the hearing of young children. This is not acceptable.

As a school, we are also keen to ensure that no-one connected to the school uses social media to bully, intimidate or cause distress to people. We discourage the use of Facebook/ Twitter etc. to criticise and make comments about our school and the community it serves. We are protected by current legislation but do not want to waste time sending out legal letter. If you use social media, please model safe and respectful practice online.

Thank you for all the fantastic contributions to our Harvest collection. The display looked fantastic. Class 9 presented their assembly brilliantly and the foodbank welcomed the donations.

Pupils Supporting Charity

Kaitlyn Kirton made some balloon models which she gave her friends for a contribution in order to raise money for a breast cancer charity (The Marina Dalglish Appeal)
Jensen Blanchard made a generous donation towards the charity. It is really heartening to hear of pupils who take their time to support such worthy causes. Well done to all who supported Kaitlyn and thank you Kaitlyn for your kind thoughts.
