

# Millbrook Newsletter

Dear Parents,

This week has been packed with activities with lots of classes out. All trips have been really successful and there are lots of pictures on Class Dojo and the school twitter account for parents to view.

The Mini Police have been out today at the Police command headquarters. Two groups were able to go and as well as enjoying it, they all felt a good sense of responsibility and contribution to the local community.

Next week we are holding our new Reception Intake meeting for our September intake. Once again we are taking in forty children and we look forward to meeting any new children not currently in our nursery. All statutory assessments have taken place and we await results. Key Stage 2 results are the last to come out in July. Other year groups will be completing NFER tests late June which will help to confirm their end of year attainment alongside their teacher's assessment. All results will be published in end of year reports.

We hope all our fathers and grandfathers enjoy their special day on Sunday and your children treat you for everything you have done for them. Have a lovely day and we hope there is good weather.

JM Maloney

## Kingswood Residential

Next week our Year 6 visit Kingswood for their residential. They will be accompanied by Mr Chambers, Miss Dixon and Mr Murray. The children will take part in a number of outdoor activities and team building events. They will be very busy for three days as it is action packed. Every Kingswood trip has been highly successful and left long term memories for the children to take when they leave school. Staff will endeavour to put pictures on class dojo (subject to internet availability – Welsh mountains!) Both Mrs Maloney and Mrs Williams are on 24 hour contact alert. Mobile phones are not allowed and will not be necessary.

Our book fair is due to arrive next week and will be available each evening after school. A wonderful time to buy books to read during the summer break.

## Rewards at Millbrook

We are very proud at the behaviour of the vast majority of pupils at Millbrook and reward them constantly for that consistent good behaviour. This week the Mini Police have been out supporting the community alongside the police force. Some children who have achieved success with extra English visited Knowsley Safari Park for storytelling and to view some animals. All children have twenty minutes golden time each week in reward for hard work and good behaviour. Selection for sports events and positions of responsibility are all rewards for good behaviour. Mrs Maloney gives out countless stickers for the excellent work she sees and of course continual praise is the reward that is not tangible but very evident in the joy seen on children's face and their intrinsic desire to please.

## Attendance

Well done to Class 3 who have the highest attendance for the last two weeks – 97.6% for the week before half term and 98.5% for last week! The overall attendance for last week was 94.1%! Well done to Kelsey McVerry and Jacob Fisher who won our infant draw and Alex Hewitt and Charlie Callaghan who won the junior draw for our 100% weekly attendance £10 voucher.

## PSA and Summer Fayre

Thank you to the small number of parents who've volunteered relentlessly to organise resources for our Summer Fayre. We need more parents on board if we are to make events like the Sumer Fayre successful. Come along to the next meeting – its fun!
