

Millbrook Newsletter

Dear Parents,

We come to last newsletter of this academic year. Year 6 have their final day at Millbrook before embarking on their secondary journey. They have done exceptionally well and made excellent progress at our school. The overwhelming majority have been outstanding role models for all other children. We wish them every success for the future.

Last week the governors of Millbrook visited the school during the day entering every classroom whilst the children were working. They were overwhelmed by the children's excellent behaviour, confidence and the standard of their work. Two governors shared lunch with the children and visited the two playgrounds showing harmonious and purposeful play. The day came to an end with governors speaking to two school council members who gave an excellent resume of their work and how it impacts on the school. In September, governors will be producing a newsletter for parents outlining the work the governing body have done this year and how it has impacted on pupil's learning and achievement.

The children break up today for an extended break over summer. We look forward to them returning refreshed in September dressed in the Autumn uniform consisting of a shirt and tie. Have a lovely break.

JM Maloney
