

# Millbrook Newsletter

Dear Parents,

Happy New year to all our parents and their family members. The children have returned refreshed and positive.

Once again this term, dates for diaries is packed with events and school visits out. Next week, Liverpool University will be visiting our school to do some maths workshops with each class. This is an exciting opportunity for our pupils to work with adults of a degree level. Thank you to Mr Chambers for organising this.

This week children in the Early Years and Key Stage 1 had the opportunity to experience some aquatic life in school. A series of fun and practical workshops took place with pupils looking at life under the water and along the coast and learning about how important conservation is. Thank you to Miss Bewley for arranging this.

Lots more going on soon include circuit club and year 5 Bike Right.

## Special Educational Needs & Disabilities

This term Mrs Lloyd is arranging some opportunities to meet with parents as a group to talk about SEND and Behaviour Management. Look out for the invitation which will come out soon. This is an innovative idea which will strengthen communication at our school.

## Weekly Cake Sale

Year 6 will be holding a weekly cake sale for both infants and junior each Wednesday between 3:15 and 3:30pm. A range of cakes will be on offer and the maximum cost will be 50p. The purpose of the sale is to enable year 6 to do some enterprising child led fundraising. We hope many parents and children will visit the cake stalls which will be situated in each of the school areas.
