**Attendance**  
Well done to Class 7 who had the highest attendance for the past two weeks with 99.2% and 98.4% respectively. The overall attendance has risen to 95.4% - our highest in 2019! Well done to Jack Yanez and Gracey Roach who won our infant draw. Liam Blamer and Max Seary won the junior draw for our 100% weekly attendance £10 voucher.

**Swimming**  
Next week both Class 9 and 10 will be going swimming every day with the exception of Friday. They will need a swimming costume and towel. Pupils with long hair will need a bathing cap. The children walk to the Leisure Centre so appropriate coats will be needed.

Dear Parents,

I hope all parents are keeping up with our Twitter account which is showing the fantastic work that we are doing. Class 8 have led the way with ensuring we play our part in looking after the environment. They were the first to visit the Gillmoss Recycling Centre and inspire other classes to join the. They also went around our local area litter picking and now every class wants to follow their example. The children in Class 8 were shocked at the amount of litter in our local area. It is fantastic that the young people of Millbrook will be the future adults who ensure they do their part in protecting the world we live in.

Last week some of our Mini Police helped the local police carry out Operation Travel Safe. They reminded motorists of where they should park and where it is illegal. The pupils enjoyed the event and realised how difficult a job the police have. Once again Millbrook pupils are aware of real life issues.

Ann Curley, our Family Learning Co-ordinator is running some Easter workshops from this week. It is lovely to see parents working with their child on fun creative activities. Come along!

## Parent Review

This week parents will have an opportunity to see how well their children are doing at Millbrook. We hope all parents can attend as it is important that children know their parents have seen their hard work in class. If you cannot make a meeting or need to rearrange please let the class teacher know as soon as possible.

## PSA Activities

The Parent Staff Association have organised two events that have been very successful in the past. First, we are having an Easter Bingo then the following week an Easter Disco. Last year the fundraising activities organised by the PTA enabled us to have the fantastic four ball structure on the junior playground. This year we are hoping the PSA will fund a similar project on the infant playground. Look out for tickets for the Bingo which will go out shortly. The Christmas Bingo was fantastic and good fun. Pupils always love the discos we have so we look forward to rewarding them at the end of the term.

## Well Done Will!

Huge congratulations to Will Kildare who runs some of our after school clubs. He has recently won two awards for his contribution to sports and health and fitness. Firstly, he won 'Coach of the Year' in the Formby Parish Council and 'Best Health and Fitness business' in Liverpool. What fantastic achievements!

## Knowsley Swimming Final

Well done and good luck to Isabelle Ingoglia and Joshua Wockenforth who are competing in the Knowsley Swimming final. This is the first time we have had pupils reach this final.
