Attendance
Well done to Class 7 who had the highest attendance for the first week - 99.2%. The overall attendance was a fantastic 95.6%. Well done to Gracey Roach who won our infant draw and Curtis Hardman who won the junior draw for our 100% weekly attendance £10 voucher.

Kirkby Scibar
The next science meeting is on Tuesday 17th September from 7-9pm at Holy Angels Social Club. Professor Rachel Williams will be speaking about 'Materials to Shape our Vision'; how advanced material are fighting the loss of sight.

Could parents be mindful of local residents when parking as we have had a complaint of cars blocking the road and pavement when parents are bringing the children to school?

Dear Parents,

Welcome to the first newsletter of the school year. The children have returned after a good rest. School uniform standards are mostly excellent however; there are a small number of pupils consistently without a tie. Ties are part of the school uniform and must be worn all the time. A small number of boys are wearing black trainers with a soft material that do not appear to be waterproof for winter weather. These are not part of school uniform. Black shoes are essential and good practice before starting secondary school and secondary schools will send children home with incorrect uniform.

I am proud to announce once again that provisional Key Stage 2 results place Millbrook Primary School in the top 25% of schools for progress in reading and the top 40% of schools for progress in writing. This is a fantastic achievement and a testament of the hard work that goes on in our school. Year 1 remain consistently above national average.

Mad Science

After a brilliant assembly this week, the organisation running 'Mad Science' is offering a six week after school programme. Letters have been sent to families with a register date of 18th September.

New Baby

Congratulations to Mrs Lloyd and her family on the birth of their son Finley. Finley was born on Sunday 18th August at 4:56am weighing 7lb 6oz. Both Finley and Mrs Lloyd are doing very well. They called into school with Imogen (Finley's big sister) on Tuesday to see all children and staff.

The **September 2020 school admissions process has now opened.** If you have a child starting secondary school in September 2020, each of the Borough's secondary schools have arranged open days (taking place throughout September and October 2018) for prospective pupils and their parents. You can read the dates and times on [Knowsley News online](#). The closing date for applications for secondary school admissions is 31 October 2019 and for primary school admissions (Reception – Sep 20) is 15 January 2020. The information booklets for both primary and secondary school admissions are available to download from the [Council's website](#).
