Attendance
Well done to Class 2 who had the highest attendance for the week before last with 99.0%. Class 7 were last week's winners with 99.0% for last week. The overall attendance was 96.7%. This is excellent. Well done to James Bowman and Archie McEnaney who won our infant draw and Madison Thomas and Phoebe Gibbs who won the junior draw for our 100% weekly attendance £10 voucher.

Please note that if your child comes in through the school office in the morning they are classed as late and will not get a chance to have their name placed in the 100% draw.

Dear Parents,

Once again this week we have been promoting the values of the Kirkby Child and talked in detail about how we should always be respectful, communicate well and be self-confident.

This was demonstrated very well on Tuesday morning when the Merseyside Police asked whether they could film our school singing 'Shine your way,' from the animated film The Croods. They filmed the whole school whilst the mini police and some year 6 volunteers passed a globe around the school. This was to represent how we are united to be good citizens. The school choir were recorded as a group then some individuals were recorded using microphones. It was a fantastic achievement and one which we all thoroughly enjoyed.

We continued to promote our hands off policy during playground time in order to ensure our rules of being respectful and safe are being followed. Whilst at times we have to remind a small number of pupil about the rules, the overwhelming majority of pupils follow them easily. Our recent inspection report commented on how we the pupils knew and understood our rules.

Could we ask that children do not use the outdoor equipment after school unless supervised by an adult?

Multiplication Tables

Timetables are an important cornerstone of becoming fluent in mathematics. To help them practice this skill the following website can be used. It can be accessed on a phone, tablet or computer.

Young Voices 2020

Once again a high number of children joined our Young Voices this year. They have been practising all year and will perform tonight at Manchester Arena. Over 4000 children's voices will be united in a fantastic show featuring dancers, beat box performers and singers including Spandau Ballet's Tony Hadley once again. Look out for pictures on Class Dojo tonight; we will try to post some.

THANK YOU AND GOOD LUCK

Mr Murray of Class 8 and our after school club sports teacher will be leaving us to take up a position in another school after February half term. We would like to thank him for all he has done at the school and wish him well for the future.
