

Millbrook Newsletter

Dear Parents,

The term is moving fast and next week our region moves into Tier 2 after everyone has worked very hard to follow all the safety rules. It is wonderful to see the overwhelming majority of parents wearing a face mask and keeping two metres distance from others. Thank you for responding to my message about bikes and scooters on the playground.

Last week there was a day when it rained and unfortunately the doors did not get opened at 8:45am. I am sorry for this and take full responsibility, we hope it won't happen again. Could I ask parents not to stand in the pram shed belonging to Rainbow? It is not the property of Millbrook; it belongs to Rainbow. We have taken that area of the school out of our risk assessment to separate Rainbow from Millbrook. Thank you for your support in this matter.

At the moment, we are looking into purchasing an online safe system for teachers to have parent meetings with parents to review the progress of their child. I have seen some excellent examples in secondary schools around the country so we hope to have this up and running early in the Spring term. We will keep you posted.

Kirkby Boys

Well done to the following boys who have all been successful in being selected and playing for Kirkby boys: Jacob Fisher, Ethan Landon, Harry Daulby, Lewis Gordon, Liam Balmer and Thomas Bowman. Millbrook Primary School have always been successful in having pupils selected for Kirkby Boys but never on this scale with six representatives! What a fantastic achievement. We are also proud that Mr Websters gives up his personal time to help run Kirkby Boys for the local community

Christmas Activities

Whilst we can't organise our usual Christmas performances in front of live audiences, all infant classes have some online treats to deliver to parents in the last week of term.

Nursery and Reception are performing some Christmas songs, Class 2 are performing a nativity song and a modern Christmas pop song. Class 3 will be performing songs from the film 'The Nativity' and Class 4 are performing Christmas around the world with some exciting facts that they have learnt.

Year 6 will perform our traditional Christingle including our decorated oranges and candles. All are planned with safety measures in place and will be available on Class Dojo towards the end of the term.

Attendance

Well done Class 10 who won last week's attendance with 95.8%. Overall attendance for the school was 91.3%. Congratulations to Dylan Kelly and Dolly-May Hines who won the vouchers for 100% attendance

Community Christmas

This year has been particularly hard for our older generation. Usually we visit with our school choir but obviously cannot this year. Instead, children will be making personal Christmas cards to all of the residents of Millview. A lovely Christmas touch from our children.
