Attendance

Well done to Class 4 who won attendance two weeks ago with 98.6% and Class 8 for last week- 99.3% Overall whole school attendance was 93.0%. We are pleased that individual classes have excellent attendance but as a whole school we are well below average. From September, we will be arranging early meetings with parents if we have concerns over attendance and conducting early help assessments to help improve attendance before sanctions come in. Teachers need children in every day if they are to make progress.

Dear Parents,

Welcome to the final newsletter of this very difficult year. We hope the next term brings more 'normality' to all our lives. The government have announced the end of bubbles in school however, we need keep the same level of cleaning and hand washing in place to ensure we try to keep the virus at bay.

Time will return to normal in September (8:50am to 3:15pm) however we will maintain separate entrances for pupils. Class 1 and 2 pupils will be collected from the foundation gate at the end of the pathway whilst Class 3 and 4 pupils will be collected from the first junior door, whilst Class 8 and 9 pupils will be collected from the side door. Class 10 pupils will be collected from the second junior door and Class 11 will be collected from the main junior door. This will enable us to ensure all pupils continue to sanitise hands on arrival.

Pupils will return in the autumn uniform and ties and black shoes are essential. Full shoes not trainers. Pupils will continue to wear PE kits on PE day. Have a lovely and safe summer break. JM Maloney
