

Millbrook Newsletter

Dear Parents,

Welcome to the second edition of the newsletter. It is lovely to report so much going on in school and we are doing everything to keep COVID safe. Cases in our school have been very low which shows how well parents, and the community are doing to support this.

We have reintroduced assemblies in a safe way. KS1 and 2 assemblies are separate, and each class sits at least one metre apart. Children still sanitise hands regularly from several points in the building and all windows and doors remain open to ensure good levels of ventilation.

Today pupil from Class 10 and 11 took part in the CELL's project which teaches pupils about dangers of gangs and gang related crime. A prison cell was transported to our KS2 playground to remind pupils of both the dangers and the consequences of crime. This project has been successful around Merseyside and helps pupils spot the dangers in the community particularly where gangs try to recruit young children.

It is always important that parents know exactly where their children are and who they are with when they go out of an evening or weekend. We want all our children to be safe and we all have a part to play.

Flu Vaccinations – Reception to Year 6

We hope our school has good uptake to protect the children and families of Knowsley from flu. Flu can be an unpleasant illness and sometimes causes serious complications. The vaccination is a quick and simple spray up the nose. If you have not registered your child, please log into:

<https://forms.merseycare.nhs.uk/flu-vaccination>

The eConsent form MUST be submitted 48hours prior to health team coming into school otherwise they cannot guarantee the consent form will be processed in time to vaccinate your child in school. This year they will be sending post immunisation advice to the email that was provided in the eConsent form. Anyone who has not provided an email address will receive a paper copy.

Kirkby League Football

On Wednesday, Our Year 5 & 6 children took part in the first league game of the year. They beat Park Brow 1- 0 and drew with St Joseph's 0-0. This gives them 4 points in the league. Well done to: Aidan, Ethan, Ethan, Fatmir, Charlie and Max. Mr Webster and Mr Donnelly said the boys played really well. Good luck in future games.

New Babies at Millbrook

Recently, we have had three new Millbrook babies

Daxon John Lockley was born 7th August weighing 7lb and is brother to a very proud James

Polly McCormick (sister of Alice and Olivia) was born on 8th September weighing 9lb 6oz

Ellis Perry's sister, Robyn was born on 9th September at the Women's hospital and she weighed 8lb 1oz.

Congratulations to all of these parents. It is lovely to give positive news so early in the school term.

Attendance

Our last two weeks of attendance have been good once again. Well done to everyone! Last week was 95.8% and the previous week 97.4%. We have lots of things planned in school to help children progress and narrow those gaps in learning caused by school closure during the pandemic so excellent attendance is vital. One area we have targeted this year is Friday attendance and as a result you will see that many of our school trips and visits are planned for Fridays.

Being on Time

Since the start of term between 17 and 22 children are late to school, every single day, coming through the school office. This causes additional work for everyone.
