

The magic school bus

One day at a busy school in one of the classes a teacher announced "Alright class today....we're going on a school trip!"

All the students shot up and all shouted "YAY!"

But then Lizzy the smart one said "Miss Lilly (the teacher) where are we going and what time are we leaving?"

The teacher replied with "Well good question ok so,we're leaving after lunch and we're going to the 6 floor museum!"

The smart one shouted "YAY!" But the other's kept quiet.

Lizzy said "LET'S GO!"

And she ran out. The class followed behind. When they got there the teacher said "Find a partner you want to sit by."

Once they found a partner they sat on the bus, mischievous Mikey ate his partner's lunch then after he gave her a worm to eat instead. And then he ate his lunch. The bus was magic and started flying but when it got in the air it stopped, it was crazy. They ran out of gas in the air! Ally the drama queen jumped up and screamed "WERE ALL GOING TO DIE!"

Everyone stared at her. A helicopter went by and everyone said "WAIT!"

The man in the helicopter said "what?"

They replied "Can you give us a lift?"

He replied "Yeah where are you going?"

"We are going to the 6 floor museum" The teacher replied

"Me too we can go together! The man said

They got on and Lizzy replied "This is going to be fun"

The end.
