Attendance

Attendance is still much lower than we are happy with and a key target for our schools as OFSTED will criticise schools with lower than expected attended (expected 96%+). Our weekly winners were C2 and C1 97.8% and 95.5% respectively. Congratulations to Mikey, George, Alanna-Jayne, Mason, Dylan & Aaron (EYFS/KS1 and KS2 respectively) who won our 100% attendance £10 weekly Amazon voucher for coming to school every day on time. Keep up the good work. The class with highest overall attendance this year will have a pizza party.

Dear Parents,

I cannot believe July is upon us already. This year has been very busy and very eventful. It really feels like we are getting back to normality at last!

Today I have included the timetables for the carousel of sports day activities we do. Parents who were here pre-2020, know that we do a carousel of sporting activities to keep all children busy. This means children move from activity to activity (and parents with them) then return at the end for a relay race. We hope parents can join and ask that you do not attempt to gain admittance until five minutes before the event begins and we need time to set it up in the morning and children will be at lunch in the afternoon.

Next week, we will send our school reports with results of any statutory tests. We will also include your child's next class. Remember, class numbers have been replaced by class names - all after trees.
