

Year 2 Willow and Cherry	1.6 LEVER MECHANISMS To design and make moving pictures	TEXTILES Design and make a puppet	Seasonal Foods – A vegetable kebab and a fruit kebab To design and make a kebab
Breadth	<p>Design and make a moving picture</p> <p>To consider purpose and audience.</p> <p>To use techniques of cutting and joining to make mechanisms.</p> <p>To make prototypes and then improvements, evaluating.</p>	<p>Design a hand puppet using a template thinking about purpose and use.</p> <p>Make and join a working hand puppet considering size and purpose.</p> <p>To develop skills of cutting, joining and stitching to create a useable product</p>	<p>To design and make seasonal kebabs</p> <p>To consider the seasonality of produce and environmental effects.</p> <p>Think about purpose, users and safety in making the dish.</p> <p>Consider healthy eating and dietary requirements e.g vegetarian.</p> <p>Take inspiration, apply techniques and decide on ingredients.</p>
Threshold Concepts	<p>Master practical skills – Design, make, evaluate, improve</p> <p>Take inspiration from design – Moving pictures with levers and sliders</p>	<p>Master practical skills – drawing around a template, cutting a simple pattern, threading a needle, joining fabrics, running stitch, decorating fabric</p> <p>Design, make, evaluate and improve.</p> <p>Take inspiration from design - puppets</p>	<p>Master Practical Skills – Peeling, slicing, chopping, snipping, weighing, stirring</p> <p>Design, make, evaluate, improve.</p> <p>Take inspiration from design – pre-prepared kebabs</p>
Milestones	<p>Create products using levers, wheels and winding mechanisms.</p> <p>Cut materials safely using tools provided.</p>	<p>Shape textiles using templates.</p> <p>Join textiles using running stitch</p>	<p>Cut, peel and grate ingredients safely using tools.</p>

	<p>Measure and mark out to the nearest centimetre.</p> <p>Demonstrate a range of cutting and shaping techniques (such as tearing, cutting, folding and curling).</p> <p>Demonstrate a range of joining techniques (such as gluing, hinges or combining materials to strengthen).</p>	<p>Colour and decorate textiles using a number of techniques (such as dyeing, adding sequins or printing)</p>	<p>Measure or weigh using measuring cups or electronic scales.</p> <p>Assemble and cook ingredients.</p>
