

Pupils not meeting the minimum expected requirements	<h2 style="margin: 0;">Expected requirements Milestone 1</h2> <h3 style="margin: 0;">(Expected standard Year 1 and Year 2)</h3>	Pupils exceeding the minimum expected requirements								
<p><i>To investigate places</i></p> <table border="1" style="width: 100%; border-collapse: collapse;"> <tr> <td data-bbox="283 475 640 711">Ask and answer geographical questions (such as: What is this place like? What or who will I see in this place?)</td> <td data-bbox="640 475 961 711">Identify the key features of a location in order to say whether it is a city, town, village, coastal or rural area.</td> <td data-bbox="961 475 1354 711">Use world maps, atlases and globes to identify the United Kingdom and its countries, and other countries, continents and oceans studied.</td> <td data-bbox="1354 475 1770 711">Use simple fieldwork and observational skills to study the geography of the school and the key human and physical features of its surrounding environment.</td> </tr> <tr> <td data-bbox="283 711 640 880">Use aerial images and plan perspectives to recognise landmarks and basic physical features.</td> <td data-bbox="640 711 961 880">Name and locate the world's continents and oceans.</td> <td colspan="2" data-bbox="961 711 1770 880">Name, locate and identify characteristics of the four countries and capital cities of the United Kingdom and its surrounding seas.</td> </tr> </table>			Ask and answer geographical questions (such as: What is this place like? What or who will I see in this place?)	Identify the key features of a location in order to say whether it is a city, town, village, coastal or rural area.	Use world maps, atlases and globes to identify the United Kingdom and its countries, and other countries, continents and oceans studied.	Use simple fieldwork and observational skills to study the geography of the school and the key human and physical features of its surrounding environment.	Use aerial images and plan perspectives to recognise landmarks and basic physical features.	Name and locate the world's continents and oceans.	Name, locate and identify characteristics of the four countries and capital cities of the United Kingdom and its surrounding seas.	
Ask and answer geographical questions (such as: What is this place like? What or who will I see in this place?)	Identify the key features of a location in order to say whether it is a city, town, village, coastal or rural area.	Use world maps, atlases and globes to identify the United Kingdom and its countries, and other countries, continents and oceans studied.	Use simple fieldwork and observational skills to study the geography of the school and the key human and physical features of its surrounding environment.							
Use aerial images and plan perspectives to recognise landmarks and basic physical features.	Name and locate the world's continents and oceans.	Name, locate and identify characteristics of the four countries and capital cities of the United Kingdom and its surrounding seas.								
<p><i>To investigate patterns</i></p> <table border="1" style="width: 100%; border-collapse: collapse;"> <tr> <td data-bbox="283 990 940 1128">Understand geographical similarities and differences through studying the human and physical geography in Kirkby/Liverpool and a contrasting non-European country.</td> <td data-bbox="940 990 1579 1128">Identify seasonal and daily weather patterns in the United Kingdom and the location of hot and cold areas of the world in relation to the Equator and the Poles.</td> <td data-bbox="1579 990 1770 1128">Identify land use around the school.</td> </tr> </table>			Understand geographical similarities and differences through studying the human and physical geography in Kirkby/Liverpool and a contrasting non-European country.	Identify seasonal and daily weather patterns in the United Kingdom and the location of hot and cold areas of the world in relation to the Equator and the Poles.	Identify land use around the school.					
Understand geographical similarities and differences through studying the human and physical geography in Kirkby/Liverpool and a contrasting non-European country.	Identify seasonal and daily weather patterns in the United Kingdom and the location of hot and cold areas of the world in relation to the Equator and the Poles.	Identify land use around the school.								
<p><i>To communicate geographically</i> Use basic geographical vocabulary to refer to:</p>										
<table border="1" style="width: 100%; border-collapse: collapse;"> <tr> <td data-bbox="283 1234 655 1396">key physical features, beach, coast, forest, hill, mountain, ocean, river, soil, vegetation and weather etc.</td> <td data-bbox="655 1234 997 1396">key human features, city, town, village, farm, house, office and shop etc.</td> <td data-bbox="997 1234 1507 1396">Use compass directions (NSEW) and location language (e.g. near and far) to describe the location of features and routes on a map.</td> <td data-bbox="1507 1234 1770 1396">Devise a simple map; and use and construct simple key.</td> </tr> </table>			key physical features, beach, coast, forest, hill, mountain, ocean, river, soil, vegetation and weather etc.	key human features, city, town, village, farm, house, office and shop etc.	Use compass directions (NSEW) and location language (e.g. near and far) to describe the location of features and routes on a map.	Devise a simple map; and use and construct simple key.
